Play. Connect. Collaborate.

A Compost Heroes Team Experience

We'll get started in just a few minutes.

While you're joining, please introduce yourself in the chat and share:

- Your name
- Where you're calling in from
- One thing organizations need to balance when creating change

Today we'll be playing Compost Heroes, an interactive card game that uses collaboration, strategy, and friendly competition to explore food waste solutions.

How We’ll Play – Compost Heroes (Online)

Step 1 – Quick demo (main room)

I’ll first show you the online play space so you know what you’re walking into.

Step 2 – Breakout rooms (60 seconds only)

You’ll be sent to a breakout room to meet your opponents.

✅ Come up with a team name

✅ Rename yourself in Zoom as: Room#_YourName_TeamName (Example: 3_Danny_CompostCrew)

Step 3 – Get your game room code (main room)

When you return, I’ll give each room a game code.

Step 4 – Back to breakout rooms to play

You’ll go back into your breakout room and enter your code to start playing.

One important note (don’t skip this):
Try to work through challenges as a team first using the
👉 Compost Heroes **Quickstart Guide**
That’s part of the game — and part of how teams actually learn to solve real sustainability problems.

Thank You for Playing!

Reflection Question:

What does this game teach us about creating change?

Food waste is a complex challenge with no single solution. Lasting impact comes from people working together, balancing priorities, sharing ideas, and taking action.
